

Selection for Senior Winton:

This will be made using the senior rankings available on the 1st of March down to 30th position

If there are insufficient willing fencers in the top 30 then the selectors will use their discretion

Account will be taken of historic performance, junior and cadet rankings

4 fencers will be chosen for each weapon

Invitations will then be sent out by the end of March to the initial 4 fencers

If you would like to be involved in the team, please email Philip Shepherd-Foster (Senior Winton Captain).
